How to Check if a Vehicle Qualifies:

1. **Check the Window Sticker/VIN:** Look for the "Final Assembly in the U.S." statement or a VIN starting with 1, 4, 5, 7F-7Z, or 70.
2. **Use the NHTSA Website:** NHTSA website to decode the VIN for assembly location.
3. **Consult Dealer Lists:** Dealerships often provide lists of qualifying U.S.-assembled models (e.g., specific Hyundai, Ford, Chevy, Jeep models).
